each following chord. Palm muted when changing chords. Rest denoted by the drumbeat, at the end of every four bars.

One time, for one brief day, I was the man for you.

Last night, I heard you talkin in your sleep saying things you shouldn t say,

Notes.

1. This track amongst others, bears the hallmarks of Dave Hidalgo's mature Tex-Mex sensibilities.

2. There are other ways of simplifying this arrangement, just by shifting a note

or two. It's interesting how a range of tonal possibilities manifest from a small

change of chord structures.
