I ve seen trouble all my days  
  **Eb**                    **G#**                    **C#**  
I ll say goodbye to Colorado  
                  **Eb**                    **G#**                    **Eb**  
Where I was born and partly raised

**Eb**                    **G#**                    **C#**  
Your mother says I m a stranger  
**C#/B**            **Eb**                    **G#**            bass notes **C# C Bb** as lead into **Eb** chord  
My face you ll never see no more  
  **Eb**                    **G#**                    **C#**  
But there s one promise darling  
                  **Eb**                    **G#**                    **Eb**  
I ll see you on God s golden shore

**Eb**                                    **G#**                                    **C#**  
Through this open world I m about to ramble  
**C#/B**                                    **Eb**                                    **G#**            bass notes **C# C Bb** as lead into **Eb**  
chord  
Through ice and snows sleet and rain  
  **Eb**                    **G#**                                    **C#**  
I m about to ride that morning railroad  
                  **Eb**                    **G#**                    **Eb**  
Perhaps I ll die on that train

**Eb**                    **G#**                    **C#**  
I m going back to Colorado  
**C#/B**            **Eb**                    **G#**            bass notes **C# C Bb** as lead into **Eb** chord  
The place that I started from  
  **Eb**                    **G#**                                    **C#**  
If I had known how bad you d treat me honey  
  **Eb**                    **G#**  
I never would have come
