(by Bob Dylan)

[Intro]

**C   F   C   F**

[Verse 1]

**C   F**  
Most of the time, I m okay, focused all around  
**C   F**  
Most of the time, I can keep both feet on the ground  
**Am**  
I can follow the path  
**F**  
I can read the sign  
**Am**  
Stay right with it  
**F**  
When the road unwinds  
**C   F**  
I can handle whatever I stumble upon  
**Am   F**  
I don t even notice, she gone  
**C   F   C   F**  
Most of the time

[Verse 2]

**C   F**  
Most of the time, it s well understood  
**C   F**  
Most of the time, I wouldn t change it if I could  
**Am**  
I can make it all magic  
**F**  
I can hold my own  
**Am**  
I can deal with this situation  
**F**  
Right down to the bone  
**C   F**  
I can survive and I can endure

**Am**                  **F**  
And I don t even think about her  
                  **C**          **F**          **C**          **F**  
Most of the time

[Verse 3]

**C**          **F**  
Most of the time, my head is on straight  
                  **C**          **F**  
Most of the time, I m strong enough not to hate  
**Am**  
I don t build up illusion  
**F**  
Til it makes me sick  
**Am**  
I ain t afraid of confusion  
**F**  
No matter how thick  
                                  **C**                                  **F**  
I can smile in the face of mankind  
                  **Am**  **F**  
Don t even remember what her lips felt like on mine  
                  **C**          **F**          **C**          **F**  
Most of the time

[Chorus]

**Am**  
Most of the time  
**C**  
She ain t even in my mind  
**Am**  
I wouldn t know if I saw her  
**C**  
She s that far behind  
**E**  
Most of the time  
**Am**  
I can t even be sure  
**E**  
If she was ever with me  
**Am**                                  **G**  
Or if I was ever with her
