[Verse 1]

C F
Most of the time, I m okay, focused all around
C F
Most of the time, I can keep both feet on the ground
Am
I can follow the path
F
I can read the sign
Am
Stay right with it
F
When the road unwinds
C F
I can handle whatever I stumble upon
Am F
I don t even notice, she gone
C F C F
Most of the time

[Verse 2]

C F
Most of the time, it s well understood
C F
Most of the time, I wouldn t change it if I could
Am
I can make it all magic
F
I can hold my own
Am
I can deal with this situation
F
Right down to the bone
C F
I can survive and I can endure

And I don't even think about her

Most of the time

[Verse 3]

Most of the time, my head is on straight
Most of the time, I'm strong enough not to hate

I don't build up illusion

Til it makes me sick

I ain't afraid of confusion

No matter how thick

I can smile in the face of mankind

Don't even remember what her lips felt like on mine

Most of the time

[Chorus]

Most of the time

She ain't even in my mind

I wouldn't know if I saw her

She's that far behind

Most of the time

I can't even be sure

If she was ever with me

Or if I was ever with her

[Verse 4]

Most of the time, I'm half ways content

Most of the time, I know exactly where it all went

Am

I don't cheat on myself

F

I don't run and hide

Am

Hide from the feelings

F

That are buried inside

C

F

I don't compromise and I don't pretend

Am

F

I don't even care if I ever see her again
