D C D  
I like to spend some time in Mozambique,  
D C D  
the sunny sky is aqua blue,  
D C D  
and all the couples dancing cheek to cheek,  
C G D  
it s very nice to stay a week or two,  
C G D  
and maybe fall in love just me and you.

D C D  
There s lots of pretty girls in Mozambique,  
D C D  
and plenty time for good romance,  
D C D  
and everybody likes to stop and speak,  
C G D  
to give the special one you seek a chance,  
C G D  
and maybe say hello with just a glance.

Bm F#m  
Lying next to her by the ocean,  
Em D  
reaching out and touching her hand,  
Bm F#m  
whispering your secret emotion  
G A A7  
magic in a magical la.....nd.

And when it s time for leaving Mozambique,  
D C D  
to say goodbye to sand and sea,  
D C D  
you turn around to take a final peek,  
C G D  
and you see why it s so unique to be  
C G D  
among the lovely people living free,  
C G D  
upon the beach of sunny Mozambique.
