                  G                  Em  
Just let me love you tonight  
Am(/C) D                  G Em  
    Forget about tomorrow  
Am(/C) D                  G                  Em  
    My darlin let me hold you tight  
    C G/B Am D G                  C/G G  
And never let me go

Dry your eyes  
No tears and no sorrow  
Cling to me with all your might  
And never let me go

G7

          C                          Cm  
A million times or more dear  
          G                  D          G                  G7  
You said we d never part  
          B7                  Em  
But lately I find  
          A7                  D          C          G/B          D9  
A stranger in my arms

Give me the right  
In summer or in spring-time  
To tell the world that you are mine  
And never let me go.
