

Not Dark Yet
Bob Dylan

C F/C C
Shadows are falling and I been here all day
F/C C
It s too hot to sleep and time is running away
G G/F C/E C
Feel like my soul has turned into steel
Am C/G F C
I ve still got the scars that the sun didn t heal
G G/F C/E C
There s not even room enough to be anywhere
Am C/G F C
It s not dark yet, but it s getting there

C F/C C
Well my sense of humanity is going down the drain
C F/C C
Behind every beautiful thing, there s been some kind of pain
G G/F C/E C
She wrote me a letter and she wrote it so kind
Am C/G F C
She put down in writin what was in her mind
G G/F C/E C
I just don t see why I should even care
Am C/G F C
It s not dark yet, but it s getting there

C F/C C
Well I been to London and I been to gay Paris
C F/C C
I followed the river and I got to the sea
G G/F C/E C
I ve been down to the bottom of a world full of lies
Am C/G F C
I ain t lookin for nothin in anyone s eyes
G G/f C/E C
Sometimes my burden is more than I can bear
Am C/G F C
It s not dark yet, but it s getting there

C F/C C
I was born here and I ll die here, against my will
C F/C C
I know it looks like I m movin but I m standin still
G G/F C/E C
Every nerve in my body is so vacant and numb
Am C/G F C
I can t even remember what it was I came here to get away from
