The trail is dark and dusty

The road is kind of rough,

But the good road is a-waiting

Eb F

And boys it ain t far off.

Bb

Trails of troubles,

Eb F

Roads of battles,

Bb

Paths of victory,

F Bb

We shall walk.

Bb

I walked down to the valley,

Eb F

I turned my head up high.

Bb

I seen that silver linen

Eb F

That was hangin in the sky.

Bb

Trails of troubles,

F Bb

Roads of battles,

Bb

Paths of victory,

Eb F

We shall walk.

Bb

The evenin dust was rollin ,

Eb F

I was walking down the track.

Bb F

There was a one-way wind a-blowin

Eb F

it was blowin at my back.

Bb

Trails of troubles,

Bb

Roads of battles,

Eb **F**
Paths of victory,
Bb
We shall walk.

Eb **F**
The gravel road is bumpy,
Bb
It s a hard old road to ride,
Bb
But the clearer road s up yonder

Eb **F**
With the cinders on the side.

Bb
Trails of troubles,

Eb **F**
Roads of battles,

Bb
Paths of victory,

Eb **F**
We shall walk.

Bb
Tha mornin train was movin ,

Eb **F**
The hummin of its wheels,

Bb
told me of a new day

Eb **F**
comin across the field.

Bb
Trails of troubles,

Eb **F**
Roads of battles,

Bb
Paths of victory,

Eb **F**
We shall walk.

Enjoy!
