

Spirit on the water, darkness on the face of the deep,
I keep thinking bout you, baby, and I can't hardly sleep.
I'm travelling by land, travelling through the dawn of the day,
you're always on my mind, I can't stay away.
I'd forgotten bout you, then you turned up again,
I always knew we were meant to be more than friends.
When you're near, it's just as plain as it can be,
I'm wild about you, gal, you ought to be a fool about me.
Can't explain the sources of this hidden pain,
you burned your way into my heart,
you got the key to my brain.
I've been trampling through mud praying to the powers above
I'm sweating blood, you got a face that begs for love.
Life without you doesn't mean a thing to me,
if I can't have you, I'll throw my love into the deep blue sea.
Sometimes I wonder why you can't treat me right,

 you do good all day, and then you do wrong all night
