

# Tell Me That It Isn't True

Bob Dylan

**G**            **D**            **Am**            **G**  
I've heard rumours all over town,  
**D**                            **Am**                            **G**  
They say that you're plannin' to put me down.  
**C**                    **Bm**                    **D**  
All I would like to do,  
**C**                    **Am**                    **G**  
Is tell me it isn't true.

**D**                            **Am**                            **G**  
They say that you've been seen with some other man,  
**D**                            **Am**    **G**  
That he's tall, dark and handsome, and you're holding his hand.  
**C**                    **Bm**                    **D**  
Darling, I'm counting on you,  
**C**                    **Am**                    **G**  
Tell me that it isn't true.  
**C**                    **Bm**                            **Am**                    **G**  
To know that some other man is holding you tight,  
**B7**                    **Em**                    **Am**                    **Bm**            **Am**  
It hurts me all over, it doesn't seem right.

All of those awful things that I have heard,  
I don't want to believe them all I want is your word.  
So darling, you better come through,  
Tell me that it isn't true.

All of those awful things that I have heard,  
I don't want to believe them, all I want is your word.  
So darling, I'm counting on you,  
Tell me that it isn't true.
