

Walking Down The Line

Bob Dylan

I couldn't find the chords for this song anywhere, so I thought I'd put them up.
I'm surprised I couldn't find this, maybe I have the name of the song wrong!

Arlo

Guthrie did a great cover of this song at Woodstock in 69. he played it with a 12

string so it may sound a little different. Chords might be wrong, but it sounds good to me. I play it with a capo on the second fret and it seems true to the version of the song I have, but it's Bobby, so it may change depending on which version you have.
