Watching The River Flow
Bob Dylan

(afinação) E B E G# B E
A E A

A                               D
What's the matter with me? I don't have much to say
A                               B
Daylight's sneaking' through the window
E
And I'm still in this all night cafe
A

A
Walking to and fro beneath the moon
A

D
Out to where the trucks are rolling slow
A E A

A E A
Sit out on this bank of sand and watch the river flow
Wish I was back in the city instead of this ol' bank of sand
With the sun beatin' down over the chimney tops
And the one I love so close at hand
If I had wings and I could fly, I know where I would go
But right now I just sit here so contentedly
And watch the river flow   TURNAROUND 3

(bridge)
E

People disagreein' on just about everything, yep

A

Makes you stop and wonder why

F#m                              B

Why only yesterday I saw someone on the street

E

Who just couldn't help but cry

(chorus)

A

Wo, but this old river keeps on rollin' though

D

No matter what gets in the way and which was the wind does blow

A                     E

And as long as it does I just sit here

A

And watch the river flow

(solo)

(bridge)

People disagreein' everywhere you look

Makes you want to stop and read a book

Why only yesterday I saw somebody on the street

That was a-really shook ...

(chorus)
D       A       D       A       D

Watch the river flow, watching the river flow

A       D

Watching the river flow

A                       E

Well, I just sit out on this bank of sand

A       TURNAROUND 1, BUT END ON A7

And watch the river flow
