

Watching The River Flow

Bob Dylan

(afinação) E B E G# B E

A E A

A What s the matter with me? I don t have much to say **D**

A Daylight s sneaking through the window **B**

E And I m still in this all night cafe

A Walking to and fro beneath the moon

D Out to where the trucks are rolling slow

A Sit out on this bank of sand and watch the river flow **E** **A**

Wish I was back in the city instead of this ol bank of sand
With the sun beatin down over the chimney tops
And the one I love so close at hand
If I had wings and I could fly, I know where I would go
But right now I just sit here so contentedly
And watch the river flow TURNAROUND 3

(bridge)

E People disagreein on just about everything, yep

A Makes you stop and wonder why

F#m Why only yesterday I saw someone on the street **B**

E Who just couldn t help but cry

(chorus)

A Wo, but this old river keeps on rollin though

D No matter what gets in the way and which way the wind does blow

A And as long as it does I just sit here **E**

A And watch the river flow

(solo)

(bridge)

People disagreein everywhere you look
 Makes you want to stop and read a book
 Why only yesterday I saw somebody on the street
 That was a-really shook ...

(chorus)

D **A** **D** **A** **D**
 Watch the river flow, watching the river flow

A **D**
 Watching the river flow

A **E**
 Well, I just sit out on this bank of sand

A TURNAROUND 1, BUT END ON **A7**
 And watch the river flow
