

Wedding Song

Bob Dylan

(intro) Am C D Am C G Am

Am C D  
I love you more than ever, more than time and more than love,  
Am C G  
I love you more than money and more than the stars above,  
F C Dm  
love you more than madness, more than dreams upon the sea,  
Am C G  
I love you more than life itself, you mean that much to me.

Am C D  
Ever since you walked right in, the circle s been complete,  
Am C G  
I ve said goodbye to haunted rooms and faces in the street,  
F C Dm  
to the courtyard of the jester which is hidden from the sun,  
Am C G  
I love you more than ever and I haven t yet begun.

Am C D  
You breathed on me and made my life a richer one to live,  
Am C G  
when I was deep in poverty you taught me how to give,  
F C Dm  
dried the tears up from my dreams and pulled me from the hole,  
Am C G  
I love you more than ever and it burns me to the soul.

Am C D  
You gave me babies one, two, three, what is more, you saved my life,  
Am C G  
eye for eye and tooth for tooth, your love cuts like a knife.

F Am C  
G My thoughts of you don t ever rest, they d kill me if I lie,  
Am C G  
but I d sacrifice the world for you to watch my senses die.

Am C D  
The tune that is yours and mine to play upon this earth,  
Am C G  
we ll play it out the best we know, whatever it is worth.

F Am C  
Dm  
What s lost is lost, we can t regain what went down in the flood,  
Am C G

but happiness to me is you and I love you more than blood.

**Am** **C** **D**  
It s never been my duty to remake the world at large,  
**Am** **C** **G**  
nor is it my intentions to sound a battle charge,

**F** **Am** **C**  
**Dm**  
cause I love you more than all of that with a love that doesn t bend,  
**Am** **C** **G**  
and if there is eternity I ll love you there again.

**Am** **C** **D**  
Oh, can t you see that you were born to stand by my side.  
**Am** **C** **G**  
and I was born to be with you, you were born to be my bride.  
**F** **C** **Dm**  
You re the other half of what I am, you re the missing piece,  
**Am** **C** **G**  
and I love you more than ever with that love that doesn t cease.

**Am** **C** **Dm**  
**D**  
You turn the tide on me each day and teach my eyes to see,  
**Am** **C** **G**  
just bein next to you is a natural thing for me.  
**F** **C** **Dm**  
And I could never let you go, no matter what goes on,  
**Am** **C** **G**  
**Am**  
cause I love you more than ever now that the past is gone.
