In the still of the night, in the world s ancient light			
C	Dm	C	G
Where wisdom grows up in strife			
C	Em	F	G7
My bewildering brain, toils in vain			
C	Dm	C	
Through the darkness on the pathways of life			
F	G7	C	Am
Each invisible prayer is like a cloud in the air			
F	C	Dm	G
Tomorrow keeps turning around			
C	Em	F	G7
We live and we die, we know not why			
C	Dm	C	
But I ll be with you when the deal goes down			

We eat and we drink, we feel and we think
 Far down the street we stray
 I laugh and I cry and I m haunted by
 Things I never meant nor wished to say
 The midnight rain follows the train
 We all wear the same thorny crown
 Soul to soul, our shadows roll
 And I ll be with you when the deal goes down

The moon gives light and shines by night
 I scarcely feel the glow
 We learn to live and then we forgive
 O'er the road we're bound to go
 More frail than the flowers, these precious hours
 That keep us so tightly bound
 You come to my eyes like a vision from the skies
 And I'll be with you when the deal goes down

(solo) (Overdriven guitar with capo on 1st fret)

I picked up a rose and it poked through my clothes
 I followed the winding stream
 I heard the deafening noise, I felt transient joys
 I know they're not what they seem
 In this earthly domain, full of disappointment and pain
 You'll never see me frown
 I owe my heart to you, and that's saying it true
 And I'll be with you when the deal goes down
