

You Angel You
Bob Dylan

C F C
You angel you
F C
You got me under your wing
Em F G
The way you walk and the way you talk
F G C
I feel I could almost sing

You angel you
You re as fine as anything s fine
I just want to watch you talk
With your memory of my mind

(refrão)
F C
And Lord, I can t sleep at night for trying
Em F G
Yes, I never did feel this way before
C Em F G
Never did get up and walk the floor
C Em F G
If this is love, then give me more and more and more and more

You angel you,
You re as fine as can be
The way you walk and the way you talk
Is the way it ought to be

(instrumental)

(refrão)

You angel you
You got me under your wings
The way you walk and the way you talk
I sware it would make me sing

(refrão)
