Hand Me Downs

From "Good Night Bull Creek!"

2009

Standard Tuning

Tabbed by Clairus

G **Am**
I've got nothin' darlin', All I've got are broken wings

C G D
A little love means everything

G Am
We've got nothing baby, If we don't take it for our selves

C G D
And I need you more than ever now

And still somehow

Chorus:

C G D
We get around,

C G D
In hand me downs

Same chords used as chorus

C, G, D for this bit listen to song for timing

Cos nothing in the world comes easy for us, even if it looks that way,

And I'm still getting round in the same stuff I wore around in 98

So when you gonna get a real job son and buy a bit of real estate?

If that means living someone else's life I guess we're gonna have to wait

Another day

Bridge with harmonica solo

Am, Em, C

Am, C, D

Chorus: but sort of palm mute it/play it quieter

G Am

Iâ€™ve got nothinâ€™ darlinâ€™,

C

A little love means everything

All Iâ€™ve got are broken wings

D

End.
