

Treat You Right
Bob Marley & The Wailers

Intro: **C Bb F**

C
What s wrong girl
C
You don t treat me like you used to do
C
Everything about you is brand new
Am
You ve changed
Am
It s mighty strange

Am
You ve lost the greatest smile and you won t tell me why
Am
It s plain to see the love light s gone now in your eyes
Dm
The world we built is dangling on a broken rope
Dm Em Am
But I ve got hope oh oh oh I ve got hope

Dm Am
I hope and pray that one day girl you ll see the light
Dm Am
And then you ll know that all I want is just to treat you right
Dm
Baby just to treat you right (treat you right)
Am
Baby just to treat you right (treat you right)
Dm
Baby just to treat you right (treat you right)
Am G
Treat you right, Treat you right.
