

All Day And All Night
Bob Marley

The song is pretty repetitious, so just apply these chords. It s quite a simple song,
I still couldn t find it correct anywhere else online, so I thought I d try to make my
post (after benefiting so much by the posts of others).

Enjoy!

Intro:

Am, Dm, Am

Am

Said IÂ'll never gonna give my love to nobody but you babe
IÂ'm never gonna give my love to nobody but you babe
