Chances are

**Gb Ab**

We re gonna leave now

**Db Bbm**

Sorry for

**Gb Ab**

The victim now

**Bbm**

Though my days

**Gb Ab**

are filled with sorrow

**Db Bbm**

I see it

**Gb Ab**

A bright tomorrow

**Db Bbm**

Chances, chances are

**Gb Ab**

Some might not hold out

**Db Bbm**

Chances are

**Gb Ab**

Hang on right now

Though now though all of my days  
are filled with sorrow

I say it

A bright tomorrow

Chances, chances are

Some might not hold out

Chances are

Hang on right now

Chances are

Oh chances, you re my chances

Chances are

Hang on right now
