

Im Hurting Inside

Bob Marley

Am **G** **F**

When I was just a little child,

Am **G** **F**

Appiness was there awhile.

Am **G** **F**

Then from me it slipped one day:

Am **G** **F**

Appiness, come back, I say,

Am

Cause if you don t come - come,

G

I go looking, yeah! ?

F

For appiness.

Am

Cause if you don t come - come,

G

I go looking now! ?

F

For appiness.

Am **G** **F**

Then together like school children,

Am **G** **F**

Then your hurt was just in vain.

Am **G** **F**

Lord, I m your weary child:

Am **G** **F**

Appiness, come back. Oh, I ?

Am

Cause if you don t come

G

Gonna go lookin , yeah! ?

F

For appiness.

Am

And if you don t come,

G

Gonna go lookin , yeah! ?

F

For appiness.

Am **G** **F**

Like Jah said, I m a-hurtin inside;

Am **G** **F**

I m a-hurtin inside.
