

**Im Still Waiting**  
**Bob Marley**

...I M STILL WAITING... by Bob Marley  
-----.....

\*Released 1965\*

Intro:

**A#m G# , A#m G#**

Chorus 1:

**A#m G#                      A#m G#**  
I m still wait-ing, I m still wait-ing.  
**A#m G#                      A#m G#**  
I m still wait-ing, I m still wait-ing.  
**G#      D#              C#              G#      D#**  
For you..., why, oh why? why, oh why?

Verse 1:

**G#      A#m                      Cm              A#m**  
I said-a my feet, won t keep me up anymore.  
**G#                                      A#m**  
With-a, ev ry little beat my heart beats, girl,  
**Cm                      A#m**  
It s at-a your door.  
**G#              A#m**  
I just wanna love you,  
**Cm                      A#m**  
And I m never gonna hurt you, girl.  
**G#**  
So why won t you come out to me now, girl?  
**A#m                      Cm                      A#m**  
Oh, can t you see I m under your spell?  
**G#                      A#m**  
But I got to, got to go. Why, girl?  
**Cm                      A#m**  
Oh why, girl? Oh!

Verse 2:

**G#                                      A#m**  
Woah, my gosh the rain is fallin ,  
**Cm                                      A#m**  
And I just can t stop callin .  
**G#                                      A#m**

And I just can't tell the raindrops,  
**Cm** **A#m** **G#** **A#m**  
 From my teardrops falling down my face.  
**Cm** **A#m** **G#**  
 Mmm, look at it, yeah it isn't really raindrops.

Chorus 2:

**A#m** **G#**  
 (I'm still wait-ing). Teardrops falling down my face.  
**A#m** **G#** **A#m** **G#**  
 (I'm still wait-ing, I'm still wait-ing), I'm still waiting.  
**A#m** **G#**  
 (I'm still wait-ing), yes, I will.

Verse 3:

**G#** **A#m** **Cm** **A#m**  
 I wait in the rain, I wait in the sun, please,  
**G#** **A#m** **Cm** **A#m** **G#** **A#m**  
 Relieve me, from these pains, oh pains, just pains.  
**Cm** **A#m**  
 I love you, yes I do. But tell me;  
**G#** **A#m** **Cm** **A#m**  
 Do you really love me, too?

Outro:

**G#** **A#m** **Cm** **A#m**

(Repeat to Fade)
