Natural Mystic
Bob Marley
[Intro]
[Verse 1]
There s a natural mystic flow thru the air,
if you listen carefully now you will hear.
[Chorus]
          Dm
                       Am
This could be the first trumpet,
       Dm
                   Am
might as well be the last.
Many more will have to suffer,
              G
many more will have to die,
     Dm
don t ask me why.
[Verse 2]
                                     Am
Things are not the way they used to be, I won t tell no lie.
                  G
                              Am
One and all have to face reality now.
[Chorus]
          Dm
                          Am
Tho I ve tried to find the answer
to all the questions they ask.
       Dm
Tho I know it s impossible
    Dm G
to go living through the past,
     Dm
            Am
don t tell no lie.
[Bridge]
There s a natural mystic flow thru the air,
can t keep them down.
if you listen carefully now you will hear.
Am
