

One Drop

Bob Marley

G **Em**
Feel it in the one drop
 C **D**
And we ll still find time to rap
 G **Em**
We re making the one stop
C **D**
The generation gap
 G **Em**
So feel this drum beat
C **D**
As it beats within
 G **Em**
Playing a rhythm
C **D**
resisting against the system
 G **Em**
Ooh-we I know Jah d never let us
C **D**
down - Pull your rights from wrong
G **Em**
I know Jah d never let us
C **D**
down - Oh no! oh no! oh no!

G **Em**
They made the world so hard
 C **D**
Everyday we got to keep on fightin
G **Em**
They made the world so hard
 C **D**
Everyday the people are dyin yea
G **Em**
From hunger and starvation,
C **D**
 lamentation
G **Em**
But read it in Revelation
C **D**
You ll find your redemption
 G **Em**
And then you give us the teaching of His Majesty
 C **D**
For we no want no devil philosophy
