

One Drop
Bob Marley

Feel it in the one drop
And we ll still find time to rap
We re making the one stop
The generation gap
So feel this drum beat
As it beats within
Playing a rhythm
resisting against the system
Ooh-we I know Jah d never let us
down - Pull your rights from wrong
I know Jah d never let us
down - Oh no! oh no! oh no!

They made the world so hard
Everyday we got to keep on fightin
They made the world so hard
Everyday the people are dyin yea
From hunger and starvation,
lamentation
But read it in Revelation
You ll find your redemption
And then you give us the teaching of His Majesty
For we no want no devil philosophy

Ah you can give us the teaching of His Majesty
