This Train (Wisdom Version)
Bob Marley

I haven't found the tabs available don't sound quite right, but I couldn't figure out what was wrong with them. So I had my musical genius brother give me the right chords and I thought I'd clean it up and share.

Note that the B chords can be played B7 in most spots. I find it sounds best with this voicing if you do:

```
e -2-|
B -X-|
G -2-|
D -1-|
A -2-|
E ---|
```

Also, on the G to C sections, there's often a slide or hammer up to the C. I think it sounds better playing it as a slide from B to C:

```
e -----|
B -4\5--5-|
G -4\5--5-|
D -4\5--5-|
A -2\3--3-|
E -----|
```

But you can also play it as a hammer from a G triad to a C triad:

```
e -----|
B -3h5--5-|
G -4h5--5-|
D -5----5-|
A -----|
E -----|
```

```
G                C
When I was just a kid,
G                C
```

My mama used to sing this song.

Now I ve grown to be a man,
Well, it still lingers deep down in my soul
I said, it lingers deep down in my soul.

I m talkin bout, this train is bound to glory - this train
This train is bound to glory - this train
This train is bound to glory,
This train don t carry no un oly.
This train - I m a- talkin bout: this train

Whoo whoo whoo...
Whoo whoo whoo...
Whoo whoo whoo...
Whoo whoo whoo...

Now I am a man,
I remember my mama's song,
And the feeling that it gives still lingers deep within my soul
Lingers deep within my soul.

Talkin bout my mama s song is bound to glory - this train
This train is bound to glory - this train
This train is bound to glory
This train don t carry no un oly
This train - this train

Whoo whoo whoo Leaving on a morning train

G **C**
Whoohoo whoohoo The evening train will be too late

G **C**
Whoohoo whoohoo Leaving on a morning train
