```

Em            D            Bm            C  
is there an upside.....

Em        D        C

Em        D        C

B7 (sort of)

(some more stuff then, )

F            C            Em  
black sheets.....

C        D        G

D        Em

D        C.....Em

this is it, except for some funny stuff at the end of the 2nd chorus
