These Poison thoughts in my mind
Got to free myself from this bind
I know I m a reasoning guy

In an act like Jesus Christ
Stare into the Sun
You don t see eye to eye with anyone

Don t throw it all away (don t talk to me no more)

About these Poison years (it s just a memory..)

[Back to intro part again, second verse and chorus, and then the electric part begins. I don t know the electric part, I always skip it when I do this one on the acoustic.]
