          F7
Touch, smell, taste, sound & sight
                 Cm
                                                      D7
    Gm
There's a whole world beyond your five senses you can feel tonight
              F7
                                  Bbmaj7
                                                        Ebmaj7
Pay attention and you'll know that it is true
                                                               Gm
You can feel it in your heart & in your soul
Sax Solo Over - Cm F7 | Bbmaj7 Ebmaj7 | Cm D7
VERSE
Listen to all the noise in your mind
                                        E →F
Eb
Separate the dark from the light
Eb
                                                   Вb
And you will find that there's one little voice
                                                       F
                                                           Eb
                                                                Dm
That always shows you what's right

                                                           Gm
VERSE
               The stars all holding their place in the sky
                       The moonlight shines off the sea
                        I see the wonder and I realize
                       There's something greater than me
