

The Chimney Song
Bob Rivers

[Verse 1]

Thereâ€™s something stuck up in the chimney and I donâ€™t know what it is
But itâ€™s been there all night long.
Well, I waited up for Santa all Christmas night
But he never came and it donâ€™t seem right
That thereâ€™s something in the chimney and it doesnâ€™t make a sound
But I wish you a merry Christmas.

[Verse 2]

Thereâ€™s something stuck up in the chimney and I donâ€™t know what it is
But itâ€™s been there all week long.
Well, the dog keeps barking up the chimney flue
And I donâ€™t know what weâ€™re gonna do
â€™Cause thereâ€™s something in the chimney and it doesnâ€™t move around
And itâ€™s been a week since Christmas.

[Verse 3]

Thereâ€™s something stuck up in the chimney and I donâ€™t know what it is
But itâ€™s been there all month long.
Well, itâ€™s jammed up tight above the fireplace
And the house smells funny, such a big disgrace
That thereâ€™s something in the chimney and it doesnâ€™t talk at all
And itâ€™s been there since last Christmas.

[Verse 4]

Thereâ€™s something stuck up in the chimney and I donâ€™t know what it is
But itâ€™s been there all year long.
