Capo 3rd fret

```
G#                      C7                        C#            Eb
They re gonna put you out in the streets Lorena
G#                      C7        C#              Eb
They re gonna dance upon your grave
G#                      C7                        C#                     Eb
They re gonna lock up your heart and throw away the key
G#                      C7                        C#            Eb
So you better watch out honey how you behave

Fm                      C#            Eb
Now you can run around forever
Fm                      C#            Eb
Inside that big ole head of yours
Fm                          C#              Eb
But your gonna find the answers aren t easy
Fm                          C#          Eb
But you ain t ever gonna know for sure
G#                      C7                C#            Eb
They re gonna put you out in the streets Lorena
G#                      C7        C#        Eb
One day they re gonna come after you
G#                  C7            C#              Eb
They re gonna tie you right down to the table
G#                      C7                C#                    Eb
They re gonna make all your nightmares come true

Fm                              C#            Eb
Cause you can t get away with nothing
Fm                              C#            Eb
Your conscience gonna give you away
Fm                      C#          Eb
You can t play with fire forever
Fm                      C#            Eb
Yeah and not get burnt they say
G#                      C7                        C#        Eb
They re gonna put you out in the streets Lorena

G#          C7                          C#        Eb
Those demons you keep locked away
G#          C7                    C#        Eb
All them shiny skeletons in your closet
```

```
G#                        C7                C#          Eb
Gonna break free and get you one day
Fm                            C#                        Eb
Oh and I d like to be there when it happens
Fm                                      C#          Eb
Oh I ve got my own demons too you know
Fm                      C#        Eb
Oh I d like to be their baby
Fm                                C#          Eb
Cause mine got me a long time ago
G#                    C7                        C#          Eb
They re gonna put you out in the streets Lorena
G#                    C7                        C#            Eb
They re gonna sing and dance upon your grave
G#                    C7                          C#                                    Eb
They re gonna lock up your heart and throw away the key
G#            C7              C#          Eb
You better watch it believe you me
G#          C7        C#          Eb
Lorena believe me Lorena
G#          C7      C#            Eb
For leaving me Lorena

Peace, Love, and Granola,
Phillip Preston Smith.
