Capo 3rd fret

```
F#                      Bb7                           B          C#
They re gonna put you out in the streets Lorena
F#                      Bb7            B                 C#
They re gonna dance upon your grave
F#                      Bb7                           B                      C#
They re gonna lock up your heart and throw away the key
F#                      Bb7                           B                 C#
So you better watch out honey how you behave

Ebm                           B             C#
Now you can run around forever
Ebm                           B             C#
Inside that big ole head of yours
Ebm                               B                   C#
But your gonna find the answers aren t easy
Ebm                               B             C#
But you ain t ever gonna know for sure
F#                      Bb7                   B             C#
They re gonna put you out in the streets Lorena
F#                      Bb7                   B       C#
One day they re gonna come after you
F#                      Bb7                   B             C#
They re gonna tie you right down to the table
F#                      Bb7                   B                       C#
They re gonna make all your nightmares come true

Ebm                               B             C#
Cause you can t get away with nothing
Ebm                               B             C#
Your conscience gonna give you away
Ebm                           B       C#
You can t play with fire forever
Ebm                           B             C#
Yeah and not get burnt they say
F#                      Bb7                           B             C#
They re gonna put you out in the streets Lorena

F#         Bb7                           B             C#
Those demons you keep locked away
F#         Bb7                           B       C#
All them shiny skeletons in your closet
```

```
F#                      Bb7                    B          C#
Gonna break free and get you one day
Ebm                          B                      C#
Oh and I d like to be there when it happens
Ebm                                         B          C#
Oh I ve got my own demons too you know
Ebm                      B      C#
Oh I d like to be their baby
Ebm                                     B          C#
Cause mine got me a long time ago
F#                  Bb7                          B          C#
They re gonna put you out in the streets Lorena
F#                  Bb7                      B              C#
They re gonna sing and dance upon your grave
F#                  Bb7                      B                              C#
They re gonna lock up your heart and throw away the key
F#            Bb7              B          C#
You better watch it believe you me
F#          Bb7      B        C#
Lorena believe me Lorena
F#        Bb7      B          C#
For leaving me Lorena
