

## Aint Got No Money

Bob Seger

(verse 1)

Well Im lookin for a woman bout five foot six  
Aint into glamour shes just into kicks  
Just a sweet fashion lady steppin dynamite  
Whos gonna take me for granted in the heat of the night

Come on baby dont you run away  
Look here in my face be it night or day  
I aint got no money but I sure got a whole lotta love

Look here in my face be it night or day

Whos lookin for a time like she aint ever had
