

Hollywood Nights

Bob Seger

E5 **A/E**
She stood there bright as the sun on that california coast
D/E **E(7th fret)**

He was a midwestern boy on his own
E5
She looked at him with those soft eyes,
A/E
So innocent and blue
D/E **E(7th fret)**

He knew right then he was too far from home
E5 **A/E** **D/E** **E(7 fret)**
he was too far from home

E5 **A/E**
She took his hand and she led him along that golden beach
D/E

They watched the waves tumble over the sand
E5
They drove for miles and miles
A/E
Up those twisting turning roads
D/E **E(7 fret)**

Higher and higher and higher they climbed

(Chorus 1:)-----

E5
And those hollywood nights
A/E

In those hollywood hills
D/E

She was looking so right
E(7 fret)

In her diamonds and frills
E5

Oh those big city nights
A/E

In those high rolling hills
D/E

Above all the lights
E(7 fret)

She had all of the skills

E5 **A/E**
He d headed west cause he felt that a change

Would do him good
D/E **E(7 fret)**

See some old friends, good for the soul

E5 **A/E**

She had been born with a face that would let her

Get her way

D/E **E(7 fret)**

He saw that face and he lost all control

E5 **A/E** **D/E** **E(7 fret)**

He had lost all control

E5 **A/E**

Night after night, day after day, it went on and on

D/E **E(7 fret)**

Then came that morning he woke up alone

E5 **A/E**

He spent all night staring down at the lights of L.A.

D/E **E(7 fret)**

Wondering if he could ever go home

(Chorus 2:)-----

E5

And those hollywood nights

A/E

In those hollywood hills

D/E

It was looking so right

E(7 fret)

It was giving him chills

E5

Oh those big city nights

A/E

In those high rolling hills

D/E

Above all the lights

E(7 fret)

With a passion that kills

(Repeat Chorus 1:)-----
