IN YOUR TIME
Bob Seger

from the album ?Greatest Hits? (1994)

transcribed by Steve Garner (s_garner@hotmail.com)

INTRO: **G C D**
D C G

VERSE 1:

G C D **G**
In your time the innocence will fall away
G C D **Em**
In your time the mission bells will toll, oh
Em D C **G**
All along the corridors and river beds
G C D D C G
There?ll be signs in your time

VERSE 2:

G C D **G**
Towering waves will crash across your southern capes
G C D **Em**
Massive storms will reach your eastern shores
Em D C **G**
Fields of green will tumble through your summer days
G C D D C G
By design in your time

BRIDGE:

G D/F# Em G C
Feel the wind and set yourself the bolder course
G D/F# Em G C
Keep your heart as open as a shrine
G D
You?ll sail the perfect line

SOLO (w/ verse chords)

VERSE 3:

G C D **G**
And after all the dead ends and the lessons learned
G C D **Em**
After all the stars have turned to stone
Em D C **G**
There'll be peace across the great unbroken void
G C D D C G
All benign in your time
G C D C G
You'll be fine in your time

(end on **G**)
