

Wait For Me
Bob Seger

Wait For Me (Capo 1st)

Intro: **G C G C**

I will answer the wind, I will leave with the tide
Iâ€™ll be out on the road, Every chance I can ride
No matter how far No matter how free
Iâ€™ll be alone If youâ€™ll wait for me

(same chord structure as 1st verse)

Thereâ€™ll be times when Iâ€™ll rise
Thereâ€™ll be times when Iâ€™ll fall
Thereâ€™ll be times when its best
To say nothing at all
Knowing youâ€™re right, Letting it be
Iâ€™ll be around
If youâ€™ll wait for me, If youâ€™ll wait for me

Bridge:

And Iâ€™ll fight for the right to go over that hill
If it only means something to me
I will not be persuaded
I wonâ€™t be still
Iâ€™ll find a way to be free

Lead Break: **G C G C**

(same chord structure as 1st verse)

In the cool of the night
In the heat of the day
If youâ€™re ever in doubt
Iâ€™ll be on my way
Straight to your side
I guarantee
Iâ€™ll be around
If youâ€™ll wait for me
If youâ€™ll wait for me

(Waitâ€¦ Forâ€¦ meâ€¦) 4X end on **G**
