So I asked the clerk to show me what he had.

A g spot stimulator that kind of looked like a miner s helmet

A backdoor buddy, a latex fist, that s right I said a latex fist
A7 **G**
and a rack of 4 inch weiners, marked half off.

Verse 3:

G **C**
And there it was, it caught my eye, behind the fist and spanish fly
G **D**
It was the one she wanted all along
G **C**
I drove back down to her place and found my best friend on her face
G **D** **G**
I shoved that latex toy where the sun don t shine.

Chorus

C **G**
It was a multi function jumbo dong, waterproof 12 inches long
A7 **D**
with a G spot stimulator and a suction cup to attach to the table
C **G**
Vibroshaft, rotating beads, cyberskin with 7 speeds
A7 **D**

C **G**
He won t forget this love affair. That toy s still in his derriere
A7 **G**
And now I wish I d bought that latex fist.
