I could use a dream or a genie or a wish
 To go back to a place much simpler than this
 Cause after all the partyin and smashin and crashin
 And all the glitz and the glam and the fashion
 And all the pandemonium and all the madness
 There comes a time where you fade to the blackness
 And when you re staring at that phone in your lap
 And you hoping but them people never call you back
 But that s just how the story unfolds
 You get another hand soon after you fold
 And when your plans unravel

And they sayin what would you wish for
If you had one chance
So airplane airplane sorry I m late
I m on my way so don t close that gate
If I don t make that then I ll switch my flight
And I ll be right back at it by the end of the night

Somebody take me back to the days
Before this was a job, before I got paid
Before it ever mattered what I had in my bank
Yeah back when I was tryin to get into the subway
And back when I was rappin for the hell of it
But now a days we rappin to stay relevant
I m guessin that if we can make some wishes outta airplanes
Then maybe yo maybe I ll go back to the days
Before the politics that we call the rap game
And back when ain t nobody listened to my mix tape
And back before I tried to cover up my slang
But this is for the Cada, what s up Bobby Ray
So can I get a wish to end the politics
And get back to the music that started this sh-t
So here I stand and then again I say
I m hopin we can make some wishes outta airplanes
