

So Hard To Breathe

B.o.B

G **Bm**
Pa pa pa pa, pa la pa pa
G **A**
Pa pa pa pa, pa la pa

[Verse 1]

G
Since day 1 I said f-ck the fame and everything it dealt
Bm
But the fame is really here just to facilitate the wealth
G
But the wealth attracts you haters like you mosquitoes to a well
D
And the waters getting deeper so Iâ€™m well set out to sail
G
Someone called my cell and left a voicemail
Bm
That said congratulations on the million record sales
G
As Iâ€™m flipping over furniture knocking sh-t off the shelf
A
I told myself Iâ€™ll never get too deep not to take a breathe
But Iâ€™m sinking

[Chorus]

G **A** **Bm**
And itâ€™s so hard to breathe, yeah
G **A** **Bm**
And even more so to sleep when no one cares
G **A** **Bm**
It was all I can eat
G **A** **Bm**
But now Iâ€™m sinking, so deep, I canâ€™t come up for air

G **Bm**
Pa pa pa pa, pa la pa pa
G **A**
Pa pa pa pa, pa la pa

[Verse 2]

G
Yeah Iâ€™ve seen the valley
Bm
Of the shadow of death, Iâ€™ve seen the mountains
G
The wild childhood, Thats why I sing about it

D

I just try to move on and keep my peace about it

G

But Come to think about it I canâ€™t even count the days

Bm

That Iâ€™ve spent, starving tryna find some decent housing

G

Thatâ€™s why Iâ€™m always smiling but on this beat I seem so violent

A

So ask me â€™bout the music scene and what the f-ck I think about it

G

Time flies, I guess thats why Iâ€™m bugging

Bm

Just yesterday I was rapping with my brother and my cousin

G

If you had the stove or toaster on you couldnâ€™t use the oven

D

We knew that we were struggling, we just acted like we wasnâ€™t

G

Itâ€™s either make it rapping, if not that than hustlinâ€™

Bm

So all I see is magazine covers in this game

G

You either surface or you plummet

A

Itâ€™s a thin line and Iâ€™m just tryna keep my head above it

Damn...

[Chorus]
