G **Am**
Daddy what if the sun stop shining
D7 **G** **G7**
What would happen then

C **G**
If the sun stopped shining you d be so surprised
C **G**
You d stare at the heavens with wide open eyes
C **G** **Em**
And the wind would carry your light to the skies
Am **D7** **G**
And the sun would start shining again

Am
Daddy what if the wind stopped blowing
D7 **G** **G7**
What would happen then

C **G**
If the wind stopped blowing then the land would be dry
C **G**
And your boat wouldn t sail son and your kite couldn t fly
C **G** **Em**
And the grass would see your troubles and she d tell the wind
Am **D7** **G**
And the wind would start blowing again

Am
But daddy what if the grass stopped growing
D7 **G** **G7**
What would happen then

C **G**
If the grass stopped growing why you d probably cry
C **G**
And the ground would be watered by the tears from your eyes
C **G** **Em**
And like your love for me the grass would grow so high
Am **D7** **G**
Yes the grass would start growing again

Am
