

**Down In Mexico**  
**Bobby Bare**

Down in Mexico

Chorus:

**C**                      **G**   **F**   **G**            **F**  
I m down in Mexico, had to go,  
**C**                      **B**                      **C**  
Won t be home no more  
                            **G**            **F**                      **G**                                      **F**  
I want mom and dad to know, I miss and love them so  
**C**                                      **G**                                      **C**  
Though I ll never see them anymore.

**C**    **F**    **G**    **C**  
The day that I turned twenty one I could hardly wait  
    **F**    **G**    **C**  
To say goodbye to mom and dad and shake the hand of fate  
    **F**    **G**    **C**  
Fate was with me from the start, until that fateful day  
    **F**    **G**    **C**  
A big man he took my sweetheart and I took his life away.

Chorus

I stood and watched the man as he fell  
And then I heard the policemen s whistle blow  
And when I thought about that prison cell  
I thought about old Mexico.

Chorus
