I Wonder Where You Are Tonight

**D** **G**  
Tonight I m sad my heart is weary  
**A7** **D**  
I m wondering if I m wrong or right  
**D7** **G**  
To dream about you though you left me  
**A7** **D** **C G D**  
I wonder where you are tonight.

Chorus:

**G** **D**  
That old rain is cold and slowly falling  
**C A7**  
Upon my window pane tonight  
**D** **D7** **G**  
And though your heart was even colder  
**A7** **D** **C G D C G D C G D**  
I wonder where you are tonight.

Then came the dawn the day you left me  
I tried to smile with all my might  
But you could see the pain within me  
That lingers in my heart tonight.
