

Id Fight The World
Bobby Bare

I d Fight the World

A **D**
I don t care what anybody thinks of me
A **D**
For my pride is gone and here I am on bended knee
D7 **G**
I only know I need you and I love you so
A **D** **D7**
And I d fight the world before I d ever let go go.

G **A** **D**
I d gladly beg or steal, I d borrow
A7 **D** **D7**
I d turn my back on everyone I know
G **A** **D**
I d do these things with no fear of tomorrow
G **A** **D**
I d fight the world before I d let go.
