To Whom It May Concern

F#m **B** **E**
To whom it may concern, please make her happy
F#m **B** **E**
She gave me so much love and got none in return
E7 **A** **Am**
She couldn't stand that so we are through and now she'll turn to you
E **Am** **E**
Congratulations to whom it may concern

F#m **B** **E**
Hold her close and tell her that you love her
F#m **B** **E**
Don't you be like me and wait to late to learn
E7 **A** **Am**
Cause I just couldn't understand that I held heaven in my hands
E **Am** **E**
And so I lost her to whom it may concern

They say that true love only comes once in a lifetime
Well I lost my chance and lost, now it's your turn
So be sure to find a way to prove you love her everyday
Or you might lose her to whom it may concern,
Or you might lose her to whom it may concern
