

**Street People**  
**Bobby Charles**

[Verse 1]

**G** **C** **G**  
Hanging out with the street people they got it now  
**G** **C** **G**  
Hanging out with the street people drifting from town to town

[Verse 2]

**G** **C** **G**  
Got a job at a nursery but they just didn t like what I grow  
**G** **C** **G**  
They called the man and ran me off and said don t come back no more

[Verse 3]

**G** **C** **G**  
Hanging out with the street people they got it now  
**G** **C** **G**  
Hanging out with the street people drifting from town to town

[Verse 4]

**G** **C** **G**  
Whos gonna work and let the economy grow if we all hang out in the street  
**G** **C** **G**  
Well I don t know and I don t care just as long as it aint me

[Verse 5]

**G** **C** **G**  
Hanging out with the street people they got it now  
**G** **C** **G**  
Hanging out with the street people drifting from town to town

[Chorus]

**C** **G**  
What a great place to know what I know, I m happy where I m at  
**C** **C** **D7**  
Some people would rather work, we need people like that

[Solo]

**G C G** x2

[Verse 6]

**C** **G**  
What a great place to know what i know, I m happy where I m at  
**C** **C**  
Some people would rather work, we need people like that

[Verse 7]

**G** **C** **G**

I m glad i m a street people, have it no other way

**G** **C** **G**

I m gonna stay a street people till my dying day
