On The charts in 66.

#1. [Verse]

**Dm**                      **Em7**                      **A7**                      **Dm G9**  
The shadow of your smile, when you are gone,  
**Dm**                      **Gm7**                      **C7**                      **F**  
Will color all my dreams, and light the dawn.  
**CM7**                      **F#m7**                      **B7**                      **Em B+ Em7**  
Look into my eyes, my love, and see,  
**Dm6**                      **E7**                      **A#7 Em7 A7**  
All the lovely things you are to me.

#2. [Verse]

**NC**                      **FM7**                      **B7**                      **Em B+ Em7**  
Our wistful little star went far too high,  
**Dm6**                      **Gm7**                      **C7**                      **Am7-5 D7**  
A teardrop kissed your lips, and so did I.  
**Gm7**                      **A#m7**  
Now when I remember spring,  
**D#7**                      **Am7-5**                      **D7**  
All the joy that love can bring,  
**G7**                      **Gm7**                      **C9**                      **C7/9**                      **F**                      **Fdim. Gm7 A#m7 F**  
I will be remembering, the shadow of your smile.

REPEAT#1 & #2.

A sixties smash from Kraziekhat.
