```
Things
Bobby Darin
Intro: C
Ev ry night I sit here by my window (window)
Starin at the lonely avenue (avenue)
                                                            F
Watching lovers holdin hand n laughin (laughin )
                                                      G
                                                            C
And thinkin bout the things we used to do
Chorus
                          G7
(thinkin of things) like a walk in the park
(things) like a kiss in the dark
(things) like a sailboat ride
                                                             C7
(yeah-yeah) what about the night we cried
Things like a lover s vow
Things that we don t do now
                                                         C
Thinkin bout the things we used to do
Memories are all I have to cling to (cling to)
                                                               G
And heartaches are the friends I m talkin to (talkin to)
                                                                              F
When I m not thinkin of-a just how much I love you (love you)
C
Well, I m-a thinkin
                     bout the things we used to do
Chorus
I still can hear the jukebox softly playin (playin )
                                                                     G
And the face I see each day belongs to you (belongs to you)
     F
Though there s not a single sound and there s nobody else around
                                                                             C
