

Who Can I Turn To  
Bobby Darin

**C7M**            **C6**                    **Dm7**        **G7**            **Dm7**   **G7**  
Who can I turn to when nobody needs me  
**C**                    **C6**                    **C7M**        **C**  
My heart wants to know, and so I must go  
**Gm**            **Gm7**        **C9**  
Where destiny leads me  
**F**                    **F6**  
With no star to guide me  
**F7M**            **Em7**        **CM7**   **Am**  
And no one beside me  
**Am7**            **F7M**        **Dm6**            **Em7**  
I ll go on my way, and after the day  
**A7**   **Dm**        **Dm7**            **G7**  
The dark-ness will hide me  
**C7M**            **C6**                    **Dm7**            **G7**  
Any maybe tomorrow, I ll find what I m after  
**C**                    **C6**                    **C7M**            **C**  
I ll throw off my sorrow, beg, steal or borrow  
**Gm**   **Gm7**        **C9**  
My share of laughter  
**F**                    **F7/13-**            **Dm6**            **Am**            **Am7+ Am7**  
With you I could learn to,        with you on a new day  
**F**            **C6**        **Dm7**            **Fdim G7**        **C6**            **Dm7 Fdim G7**  
But who can I turn to if you turn away  
**C7M**            **C6**                    **Dm7**        **G7**            **Dm7**   **G7**
