

If Youve Got A Heart
Bobby Goldsboro

Not many tabs for any Bobby Goldsboro songs, so I thought I d list the chords for this one, If You ve Got a Heart. Great little number.

Here s the little fill that is played throughout the song.

```
|-----|  
|-----|  
|-----0h1----|  
|--0h2-----|  
|-----|  
|-----|
```

And then here are the chords.

```
E           A7           D7  
I d like to know if you can cry
```

```
E           A7           D7  
I d like to see a tear in your eye
```

```
G           G7           C  
I m tired of you tearing me apart
```

```
E           A7           D  
I d like to know if you ve got a heart
```

```
E           A7           D7  
True love won t change, so I am told
```

```
E           A7           D7

```

```

```

```
E           A7           D  
I d like to know if you ve got a heart
```

```
G           E  
I think you re using me
```

A **D**

Till you find someone new

G **E**
But if you wait too long

A
You ll have to find me too

Another little fill is played during that last verse.

```
|-----|  
|-----|  
|---2--0-----|  
|-----2-----|  
|-----2b3r2--0---|  
|-----|
```

E **A7** **D7**
Make up your mind and then let me know

E **A7** **D7**
Tell me you re mine or leave me alone

G **G7** **C**
I m tired of you tearing me apart

E **A7** **D**
I d like to know if you ve got a heart

There there is a brief horn section while the verse chords are played.

G **G7** **C**
I think you enjoy tearing me apart

E **A7** **D**
I d like to know if you ve got a heart

And that s it. The song is pretty simple.
