

**With a Pen In The Hand**  
**Bobby Goldsboro**

C            C7+            Gm            C7  
With pen in hand you signed your name  
F            Fm7            Dm7            G7  
Today at five I ll be on that train  
C            C7+            Gm            C7            F  
And you ll be free and I will be alone so alone  
Fm7  
So alone  
C            C7+            Gm            C7  
If you think we can t find the love we once knew  
F                            Fm7            Dm7            G7  
If you think I can make everything up to you  
C            C7+            Gm            C7            F  
Then I ll be gone and you ll be on your own  
Fm7  
you ll be on your own  
C            C7+            Gm            C7  
Can you take good care of Johnny  
F                            Fm7            Dm7            G7  
can you take him to school everyday  
C            C7+            Gm  
Can you teach him how to catch a fish  
                          Cm7            F  
And keep all those bullys away  
Fm7  
Hear what I say  
C            C7+            Gm            C7  
Can you teach him how to whisle a tune  
F                            Fm7            Dm7            G7  
can you tell him about a Man in the Moon  
C                            C7+            Gm                            C7            F  
If you can do these things then maybe he won t miss me  
Fm7  
Maybe he won t miss me  
C            C7+                            Gm            C7  
And tonight as you lay in our big lonely bed  
F                            Fm7            Dm7            G7  
And you look at the pillow where I laid my head  
C            C7+  
And with your heart on fire  
Gm            C7                            F                            Fm7  
Ill you have no desire to kiss me and to hold me  
C            C7            Gm            C7  
If you can forget the good times we had  
C            C7+            Gm            C7                            F  
If you think that the good times don t outweigh the bad  
C            C7+

Then sign your name and

**Gm**                      **C7**

I ll be on my way

**F**                                      **Fm7**

I ll be on my way mmmm
